

EVERY DAY BRINGS NEW CHOICES

Certificate in Work and Organisational Behaviour (Level 7)

NFQ Level 7

9 Months

Hybrid Learning

Introduction

Modern organisations can be complex and ever-changing. This innovative programme is highly employee focused designed to develop learners with knowledge, skills and mindsets. It will give participants the knowledge and skills to enhance their performance at work and flourish in challenging organisational settings. It will empower them to grow and develop, and on completion they will be well positioned to apply for promotional and career progression opportunities as well as continuing to further study.

About the Programme

Through a better understanding of key organisational behaviour principles and concepts, students will be empowered to enhance both their own performance and that of their teams. Students will also be up skilled in a range of key areas such as problem-solving, decision-making, critical thinking, and emotional intelligence so that they are better equipped to perform their role effectively in a dynamic organisational setting where flexibility, agility, and resilience.

Integrated Learning

- **Professional Growth:** Enhance leadership capabilities aligned to work based modules.
- **Balanced Development:** Opportunity to explore through the lens of the 3E Framework (Education, Experience, Exposure).
- **Coaching/Feedback:** Participants receive feedback from award winning Coaches.
- **Networking:** Connect with peers, industry experts, and academic professionals.
- **Delivered by Pracademics:** Delivered by University and Industry experts.
